### **Presentation: Mass Notification & Emergency Communication (MNEC)**

Steven McDaniel has spent his entire life and career, over 30 years, in the fire alarm and life safety industry and is a District Manager for Edwards/Kidde. He is NICET Level 4 certified in Fire Alarm systems and holds certifications on several fire alarm system manufacturer's equipment. Over the span of his career, he has witnessed firsthand the shift from conventional to intelligent/addressable fire alarm systems and the industry's progression to where fire alarm/life safety systems are the best solution available for handling emergency/mass notification communication needs.

### **Overview**

Steven's presentation will focus on MNEC terminology and operational categories (4 Tiers), its history, and the events that have shaped and continue to shape the MNEC industry. The presentation will also include implementation of MNEC and current market applications.

*Please forward this invitation to other industry professionals who are interested in the educational and networking opportunities provided by SFPE. SFPE is an extremely valuable resource to our local community and we need your support. We will have a key focus this year on growing our membership, our monthly meeting attendance, and the value we bring to our members each month and to our community. We welcome all AHJ's, specifiers/consultants, contractors/installers and owners involved in fire protection and life safety.*
