### **Presentation: Grounding, Bonding and Proper Fire Alarm Design with Surge Protection**

Our presenter this month is Jason Klein of Ditek Corporation. Jason serves as a Field Sales Manager and will be sharing some of his electrical knowledge with us. Topics covered will include grounding, bonding and proper fire alarm design with surge protection. Also included in the presentation will be NFPA 72 - 2013 changes in Section 12.2.4.2 regarding transient protection.

*Please forward this invitation to other industry professionals who are interested in the educational and networking opportunities provided by SFPE. SFPE is an extremely valuable resource to our local community and we need your support. We will have a key focus this year on growing our membership, our monthly meeting attendance, and the value we bring to our members each month and to our community. We welcome all AHJ's, specifiers/consultants, contractors/installers and owners involved in fire protection and life safety.*
